NOTES FROM THE BOARD

Membership meeting: November 2, 2026 —7:00 pm in the clubhouse

Board meeting: November 9th, 9:00 a.m. At the office

Another season is almost upon us and the pilgrimage south has already begun. Our year-round residents have toughed it through another summer while managing to maintain the park through many unexpected circumstances.

That brings us to some business at hand. It's time to bring up any proposed changes to the bylaws and covenants by written proposals to our bylaws committee members.

We now have a growing elderly and aging resident population, who have participated in park operations over the years, and who are now facing increased needs and health issues.

With that said, we need our younger population to get more involved as committee volunteers and good candidates willing to run for the Board.

Candidates for the board need to sign up with a nominating committee member before the end of the year. **GIVE IT YOUR UTMOST CONSIDERATION.** It's the only way to keep your park expenses affordable.

Our first meeting with be November 2nd with many challenging issues ahead. We look forward to seeing all residents attending. We're investigating solar power to help reduce our power bills and park maintenance services to help with park fixes that overwhelm our volunteers.

Please keep your homes and yards up to the beautiful standards of our park.

Thank you

The Board

NOTES FROM REC/ACTIVITIES

November and December are going to be busy months. Please watch the board and easel in clubhouse for ongoing events.

The Friday night dinners will continue as they have been very successful in delicious food and good attendance. Please watch the easel for weekly specials and please remember to bring your own table service.

We are still in need of volunteers for the following: Opening and closing the clubhouse, cleaning the restrooms, folks to take down tables before the dances and to put back up after dances.

Looking for a few to decorate for dances and to decorate the board about the fireplace.

Thank Debbie Phillips for donating the two Indians that were painted by past resident, Bob Rupert.

PLEASE DO NOT USE THE INDIANS ON THE OUTSIDE AS ASH TRAYS!

Upcoming events are: biscuits and gravy, poker run with dance, cookie walk, Christmas program, Christmas parade and caroling. Please start saving your gallon jugs for luminaries.

THANKSGI VING THOUGHTS….

This season, spread goodwill and cheer. But save some gratitude for the gift you've already been given—your health and the health of those around you. Though the days grow short and cold, the light within shines on. Your vitality and vigor allow your spirit to soar, giving you wings to fly into the new year ahead. Health is life's secret blessing, the source from which all else flows. Give thanks for this quiet grace that moves you

The power of thanksgiving is not just a seasonal sentiment, but a daily attitude that can transform our lives. When we express gratitude for what we have, we acknowledge the goodness of God and the generosity of others. We also cultivate a positive mindset that helps us cope with challenges and overcome obstacles. Thanksgiving is not only a way of saying thank you, but also a way of living joyfully and generously. By giving thanks, we open our hearts to receive more blessings and share them with others.

IN MEMORY OF ….

ASA PAUL EASTLING, SR

OCTOBER 23, 1934 — SEPTEMBER 11, 2026

Asa passed away at the age of 91 years. Asa lived in Tippecanoe for 27 years and these years were filled with kindness, love for his family and seeing the world on many cruise ships with wife, Dee. Asa was always there to help others when they needed it the most. He enjoyed spending time in the pool, on the dance floor where he had no problem in finding someone to dance with and always having a meal at Rick's café. Asa is survived by 2 sons, 2 daughters, 7 grandchildren and 5 great grandchildren. Asa will be missed, but we know he is now with Deanna.

KATHRYN RIENDEAU

SEPTEMBER 19, 1950 — SEPTEMBER 17, 2026

Kathy became a snowbird from New Hampshire, but later became a full time resident on Sweetpea. Kathy made new friends easily and enjoyed being part of the Gad-a-Bouts. She volunteered wherever she could even taking homemade soup to shut-ins. If there was a dance, you find Kathy on the dance floor. Family was important to her. She and her deceased husband, George of 49 years, raised 3 children. Kathy had a big heart and always shared it with others.

The blood mobile will be in the park on Wednesday, November 25th, 8:00 a.m.—2:00 p.m. Giving blood is a charitable thing to do and is very much appreciated.

Dennis Young, a new comer to the park, joined up with others who gave their time to ride for the American Cancer Society. This ride took place the month of August. Dennis rode 382 miles which he did just riding in the park. He raised $307.00 by donations for the American Cancer Society. Dennis is happy to report that 80% of these donations were made by residents of Tippecanoe. Thank you Dennis for participating in this ride for such a good organization!

Welcome to the neighborhood!

We look forward to meeting you!

Al was born and raised in West Virginia. Al relocated to Maryland for employment with the Pepsi Corporation and retired as the Warehouse/ Production Mgr in 2014 after 35 years w/Pepsi. Al enjoys fishing, playing cards and rooting on the Dallas Cowboys. Al stepped up right away in getting involved in Tippecanoe activities and has volunteered to help on several park events. Al, we're glad to have you as a new resident in the park

Kevin also enjoys the football season and roots for the 49'ers. Any other spare time is spent working out at the gym and just enjoying his man cave with the pool table that Dayne left. Welcome to Tippecanoe, Kevin.

It's that time of the year again. Don't forget to turn back your clocks on Sunday, November 1st. This is a good time to check batteries in our clocks and smoke detectors too. Now that it gets darker earlier, please remember to use a flashlight when out walking.
